

# KickOff *Water fountain with animated kicker*

- 4) "box suites" cups storage
- 5) optional cup dispenser could mount either side.
- 6) internal gear connected to ON switch drives kicker. Kicker also wears team colors, insignia.
- 7) stationary football is waterspout
- 8) might come with ordinary 'Y' dual valve so hose always available

- 1) 16"x12"x4" steel or molded resin basin with screen printed (licensed) NFL/NCAA graphics
- 2) Kicker figure— (fixed or) with kicking leg driven by on switch as illustrated at right
- 3) ON switch, animates kicker, opens valve below surface. Water comes up through football, and **through the uprights** in an arc like the path of a kick, tall enough to be comfortable to drink.
